

## PERSONAL INFORMATION

Emanuele Capogna

Sex Male

| Date of birth

| Nationality

WORK EXPERIENCE from 2012  
to present:**Simulation Manager, Communication Specialist, Debriefing and Researcher in  
Medical Simulation****EESOA, Maternal and Neonatal Simulation Center, Rome**

European School of Obstetric Anesthesia, via Giulia di Gallese, 12, 00151 Rome, Italy

At EESOA Maternal and Neonatal Simulation Centre I am responsible for preparing and maintaining simulation equipment and supplies and for managing the department scheduling.

My duties and activities are:

Coordinate the scheduling of simulation activities and rooms

Maintain record of lab space and equipment utilization

Set up and tear down rooms

Participate in mobile simulations which may involve travel

Contribute to the department budget process

Serve as a simulation resource to educators and other inter-professional colleagues

Program simulator specifications in collaboration with educator

Operate patient simulators during simulations

Support educators with simulation technologies for debriefing

Clean and maintain equipment for appropriate standards and coordinate repair of simulation

equipment in collaboration with manufacturer technical support

Troubleshoot immediate issues with simulation equipment and associated technologies

Maintain inventory of all equipment, supplies and materials related to simulation and ensure the safe storage and disposal of training supplies including potentially hazardous materials

Manage inventory control including the usage, signing out, and movement of simulation equipment and technologies

Maintain current working knowledge of simulation and associated equipment and technologies

Assist in training educators in the use of simulation equipment and technologies

Cooperate in the debriefings after the scenario

Organize intra and extra activities during a simulation course

Conduct a basic and advanced debrief

Undertake medical simulation research

EDUCATION AND TRAINING

- 2004-2009 Diploma di Maturità Scientifica
- 2012 to present Medical Student at the Faculty of Medicine University of Rome La Sapienza, VI yr
- 2010-2011 General English + IELTS Course, Oxford English Centre, Oxford, UK

PERSONAL SKILLS

Mother tongue Italian

Other language English

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
UPPER INTERMEDIATE, LEVEL 2				
IELTS CERTIFICATE EXAM, LEVEL 6.5 CAMBRIDGE ESOL				
I have work experience in international simulation courses in English				

Communication skills ▪ good communication skills gained through my experience in simulation environment

Organisational / managerial skills ▪ Excellent verbal, written and communication skills. Excellent communication with professionals either individually or in a group. Capable of effectively communicating complex technical issues to non-technical and technical users.

Job-related skills ▪ Proficient with IOS and Windows programs, Simulation Software, LLEAP  
 ▪ Ability to operate audiovisual equipment  
 ▪ Good command of quality control processes

Driving licence B

## Book

- Gibiino G, Capogna E, Velardo M, Del Vecchio A, Ingrassia PL, Capogna G. Improving learning by playing with an app: The Fanta Training® experience with anesthesia trainees.
- Capogna G, Ingrassia PL, Capogna E, Bernardini M, Nardone G. *Manuale per il facilitatore: "Il Debriefing dopo lo scenario di simulazione, base e avanzato-strategico"*. ©2021, Pearson Italia, Milano-Torino.

## Congress / Courses

- Introduction to the Sim Mom, Educational Course, Laerdal Medical Certificate, Bologna April 4th, 2013
- Medical Simulation Instructor Training Course, EESOA 2013
- Congresso Nazionale Simulazione Medica, SIMMED Firenze, 8/9 November 2013
- The Magic of Words and Gestures, 2nd World Conference BSTT (Brief Strategic and Systemic Therapy) Network, Florence, 15-19 October 2014
- Corso Formare i Formatori (Train the Trainers), School of Management in Strategic Problem Solving Coaching and Communication, Arezzo, Year 2018
- Scenario Programming Course for SimMom, Laerdal Medical Certificate, Rome 15<sup>th</sup> March 2017
- Course Director Course, EUSIM, Nottwill, Switzerland, 10 – 12<sup>th</sup> October 2018
- Simposio "conoscere l'uomo" held in Florence 10<sup>th</sup> November 2018 (Brief Strategic and Systemic Therapy)
- Master di 1° e 2° livello in comunicazione strategica, coaching, problem solving e scienza della performance run by Centro di Terapia Strategica di Giorgio Nardone, from December 2018 to October 2019.
- Fellowship in Medical Simulation at Simnova Simulation Center, UPO Università del Piemonte Orientale, Novara from September 2018 to December 2019

## Congress as Faculty

- Submit "objective evaluation of a new epidural simulator" as an Abstract at the Euroanesthesia 2018 Congress (Copenhagen Denmark, 2 - 4 June ) 2018
- ESA 2019 Congress, Simulation Instructor at the Focus meeting on perioperative medicine.
- Awarded for one of the best abstracts at SIMMED 2021 National Virtual Congress.

ANNEXES

---

Courses as  
Faculty

- Simulation Instructor at the Debriefing Simulation Training Courses (Formare i Formatori) run by EESOA Maternal and Neonatal Simulation Centre, Rome from 2015 to present (four courses every year)
- Simulation Instructor in International Simulation Courses in English for Smiths Medical from 2015 to present run by EESOA (two courses every year)
- Simulation Instructor at the ASST Sette Laghi Regione Lombardia 3/5 October 2016 and 15/17 November 2016
- SimCup Italia 2018, Novara 12 – 14<sup>th</sup> April 2018
- Faculty at the course "Emergenze Ostetriche" run by EESOA Maternal and Neonatal Simulation Centre, Rome from 2018 to present.
- SimCup Italia 2019, Novara 4 - 6<sup>th</sup> April 2019
- Simulation Instructor at the Fondazione Poliambulanza Brescia 21-22-23 October 2019 and September 2020
- Simulation Instructor at the CeSi Centro Professionale sociosanitario Lugano October 2021 and May 2022.
